

CORNERSTONE
REBUILDING LIVES, RESTORING HOPE

GROUP VOLUNTEER OPPORTUNITIES

Groups sizes are limited to a maximum of six people until further notice.

DELIVERY INDIVIDUALLY BOXED MEALS: Purchase and deliver individually boxed meals to our Bloomington location for 25 Cornerstone participants and staff. Options include, but are not limited to, Panera Bread, Jimmy Johns, Davannis and Potbelly Sandwich Shop.

OUTDOOR MAINTENANCE WORK: Ideas include staining fences, helping with seasonal yard work and weeding our numerous garden beds. Yard waste bags can be provided by Cornerstone.

DONATION DRIVES: Organizing a donation drive is a great way to help out Cornerstone's participants. All items must be new and unused. Currently, our most needed items are related to safety and health.

COVID-19 Care: Disinfecting wipes, thermometers, cloth and disposable masks and hand sanitizer in pump dispensers.

Good Night, Sleep Tight: Sheets, bath towels, washcloths, pajamas in all sizes and slippers

Daily Living: Full-size shampoo, conditioner, body wash, lotion, deodorant, toothbrush, etc.

ADOPT A FAMILY HOLIDAY PROGRAM: Provide gifts by "Adopting" a family (or several families) to whom Cornerstone has provided services in the past year. A personalized wish list is provided to make shopping easy.

INFORMATION SESSION WITH YOUR GROUP: Cornerstone takes pride in our role as experts in the fields of domestic violence, sexual violence, human trafficking and general crime. Our speakers provide general education about these important issues and discuss why Cornerstone's work is important; we can also share ways that you and your group can make a difference in the community.

INTERESTED IN VOLUNTEERING?

Please contact Crystal, Cornerstone's volunteer coordinator, at Crystalk@cornerstonemn.org
Volunteers must be at least 18 years of age; a background check is required
