

CORNERSTONE
REBUILDING LIVES, RESTORING HOPE

Founded in 1983, Cornerstone's ultimate goal is to reduce the prevalence of domestic violence, sexual violence, human trafficking and general crime. Safe and stable futures are possible when we coordinate an effective crisis response, implement trauma-informed support services, mitigate the impact of violence on children and youth and confront the roots of violence.

CORNERSTONE'S MISSION

Cornerstone's continuum of service helps to create communities where individuals and families are safe and children thrive. We advocate, educate and lead the way to social change.

CORNERSTONE'S COMPREHENSIVE PROGRAMS

DAY ONE®—The Minnesota Day One® Call Center connects victims of domestic violence, sexual assault, human trafficking and general crime to emergency safe housing and resources from over 90 agencies throughout Minnesota via phone, text or online chat messaging. www.dayoneservices.org

EMERGENCY SERVICES—A continuum of services that includes a 35 bed emergency shelter, a hotel/motel partnership, 24/7 crisis advocacy and support services, pet protection, transportation, translation and all basic needs.

PREVENTION, EDUCATION & CLINICAL SERVICES—An innovative program encompassing early childhood education, affordable mental health therapy for adults and children, support groups, parenting, services for sexually-exploited youth and school-based violence prevention that teaches youth the skills they need to negotiate and mitigate the violence in their lives.

COMMUNITY & ECONOMIC EMPOWERMENT SERVICES—Offers educational and support services for victims and their families. The program works to create long-term stability and pathways out of poverty through transitional housing, short-term subsidies for market rate units, case management at supportive housing complexes, personal empowerment, job readiness, financial literacy and matched savings accounts.

VICTIM ADVOCACY PROGRAM—Staff provide advocacy and support in criminal, civil and family court. A partnership with local law enforcement agencies, prosecutors and the courts improves the justice process and protects victims. Advocates provide support and connect victims of property crimes and crimes against persons to a range of Cornerstone's services and administer the State of Minnesota's Emergency Funds assistance program.
